Identity Verification

This section of the report prevents fraud. It confirms the applicants SSN, verifies if anyone else has used this SSN, gives an address history of the applicant, and much more.

Credit Report

Provides full credit history of the applicant.

Nationwide Criminal Records Check

This is a nationwide search which provides you with results on criminal records, traffic citations, sexual predator results, and an international terrorist watch list search.

Eviction, Judgments and Liens

This is a nationwide search that gives important results on civil and financial records of the applicant.

Social Media Search

This report provides a very detailed report of over 200 social media databases, and can provide you with valuable information regarding your applicant's true reputation.

Employment Verification

This report verifies the previous employment of the applicant and their eligibility for re-hire at that employer.

Personal Reference Verification

Verification of the personal opinions of the applicant's abilities, flaws, and character from their personal network of friends and family.

Professional Reference Verification

Verification of the opinions of the applicant's professional network and the applicant's ability to work within a professional environment.

Professional License Verification

If you require your applicant to possess and maintain a professional state license or certificate, this search will confirm if the license is valid and if it has ever been suspended or revoked.

Academic Verification

This will provide you with academic verification, include college degrees, high school diplomas, and trade certifications.

Driving History

This will provide you with a 3 or 7 year report (depending on the state) of your applicant's driving records, including accidents, suspensions, and license revocations.

Substance Abuse Detection

If your employment requires drug testing for employment or after an on-the-job accident, this is a full panel and DOT-approved drug screening process.
